<p>In order to ensure that our charges remain affordable and competitive, we do offer credit accounts for routine treatment. We find the best way to manage our client's accounts is via our "instant pay" facility, whereby we offer a 5% discount on all treatment. Payment is taken using card details stored on your private account as soon as the treatment is invoiced. You will be provided with a copy, via email, of the fully paid invoice as soon as the payment is taken. Should payment be declined under this scheme then the 5% discount will not apply.</p>
